## INVEST IN THE FUTURE OF BUSINESS LEADERSHIP

The Breaking Barriers Leadership Summit is a premier event designed to identify, inspire, and prepare high-potential college students—particularly those from historically underrepresented communities—for successful careers in finance, consulting, and sales.

This summit offers forward-thinking companies a powerful opportunity to engage early with the next generation of diverse business talent. Through sponsorship, your organization can play a direct role in shaping future leaders while demonstrating a visible and authentic commitment to innovation, talent development, and equitable access to opportunity.

### WHY SPONSOR

- Build early brand recognition with standout students from across the country who are actively exploring career paths and forming employer preferences.
- Support skill-building workshops and leadership development, ensuring students are not just aware of your brand but prepared to contribute from day one.
- Engage your employees as speakers, mentors, or facilitators—offering meaningful development and visibility for your internal talent.
- Gain insights into the values and motivators driving this next generation of business leaders.
- Access a digital resume book and registrant contact list

### BECOME A SPONSOR

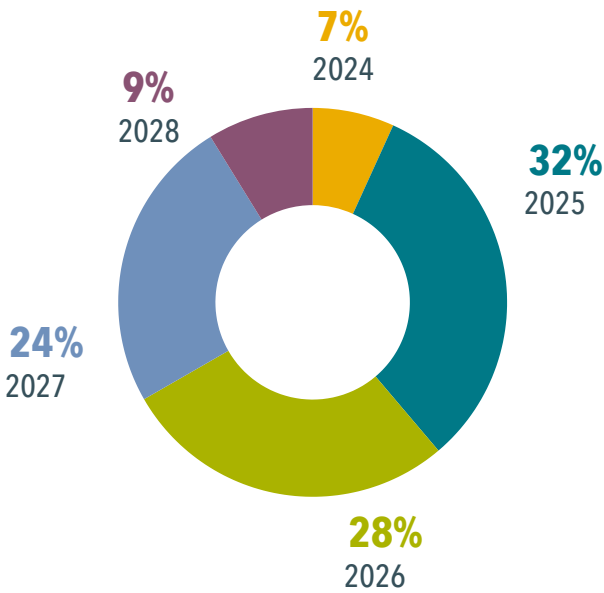

- \$10,000 for partner sponsors (\$12,000 for non-partner sponsors)
- Plus: Help students attend with a gift to our Travel Stipend Fund
